

When completed, our *universally accessible outdoor archery course* would provide a unique outdoor recreational opportunity for anyone with mobility challenges, especially veterans, veterans' groups, first responders and youth groups. We believe it would be the first course of its kind in Western New York. To bring this important community project to completion sooner, we are asking for public donations.

We have established the following donation levels:

- PLATINUM SUPPORTER, $10k+
- GOLD SUPPORTER, $5,000 to $9,999
- SILVER SUPPORTER, $2,500 to $4,999
- BRONZE SUPPORTER, $1,000 to $2,499
- SUPPORTER, $1 to $999

We welcome your interest in our project and any donation you choose to make. To contribute by check, make it payable to West Falls Conservation Society, Inc. Mail your check to P. O. Box 490, West Falls, N. Y. 14170-0490, and enter "U. A. Archery" in the memo field. Please note that West Falls Conservation Society, Inc. is a 501(c) (7), domestic not-for-profit corporation; therefore, donations are not tax deductible.
